Farm Guidelines and Frequently Asked Questions (FAQ)

Welcome to our farm! To ensure everyone has a safe and enjoyable experience, please adhere to the following guidelines:

Farm Rules

Children must be supervised while on the farm. We recommend at least 1 adult for every 5 children.

Please refrain from bringing pets, except for service animals, which are welcome.

Smoking and vaping are not permitted on the premises.

Outside meals and food are not allowed in public areas. If you wish to bring your own meals, please book a private picnic site (\$50.00). Water, formula, and small snacks are permitted.

Frequently Asked Questions (FAQ):

Do I need to make a reservation?

Yes, tickets must be purchased in advance. We have a limited amount of room for parking and once this limit is reached, we must close our gates.

Tickets are non-refundable but can be transferred to another date in case of farm closure due to extreme weather or other circumstances.

Can we pick vegetables?

Yes, you can! We have a variety of vegetables available depending on the season. Call ahead at 780-XXX-XXXX to check availability.

Can I bring my own picnic?

Our concession is open during business hours. Outside food is not allowed in public areas.

Can I bring my dog or puppy?

Only service dogs are permitted on-site. Other pets should be left at home due to safety concerns and hot weather conditions.

What happens on rainy days?

Dress accordingly for the weather or take a rain check and visit another day. Tickets are non-refundable due to weather conditions.

Do you host birthday parties?
